# Genting resort gives orang asli villagers buka puasa treat

Liow (third from left) with (from left) Abdul Karim, Baker and Chew serving food the orang asli children at the buka puasa event.

IT HAS been a tradition for Resorts World Genting to break fast with the orang asli community during Ramadan, and this year is no different.

The team from the resort visited the orang asli in Kampung Sungai Bot to treat residents there to a breaking of fast meal.

Led by Resorts World Genting deputy chief operating officer Paul Baker and Resort Communications & Public Relations vice-president Katherine Chew, the team was welcomed by the orang asli village head in Pahang, Tok Batin Abdul Karim.

The guest of honour was Transport Minister Datuk Seri Liow Tiong Lai, who is also Bentong MP.

The *buka puasa* was attended by 350 villagers. The resort sponsored the meals and also contributed 100 sets of goodies that included rice, cooking oil, and canned food.

One hundred families at the kampung benefited from the contributions.

was evident at the event with the villagers joining resort workers in preparing and cooking the meals.

The aim of the event was to foster relations with the orang asli community. It is a platform that allows employees of the resort to be involved in community service and to make a difference in people's lives.
