GENTING MALAYSIA CONTRIBUTES RM250,000 TO CHARITY

Genting Highlands, 5th February 2017 – In the spirit of the lunar festival, Genting Malaysia Berhad donated RM250,000 to various charities during the Genting Group Chinese New Year luncheon held at *Resorts World Genting*.

Representatives from 25 welfare homes and charitable organisations received RM10,000 each from Transport Minister Dato' Sri Liow Tiong Lai, who was the guest of honour at the luncheon.

More than 800 guests attended the event hosted by Genting Group Chairman and Chief Executive Tan Sri Lim Kok Thay at the Genting International Convention Centre, First World Hotel.

Tan Sri KT Lim said he was pleased to share festive joy with the underprivileged while celebrating the annual Chinese New Year luncheon for the Group's stakeholders and corporate partners.

"The challenging and sometimes uncertain economic landscape makes it even more important for us to contribute to those who require financial assistance. When we donate, be it in cash or kind, we are contributing to causes that bring positive changes to the community and beyond," said Tan Sri KT Lim.

Genting Malaysia's annual Chinese New Year festive contribution is part of the company's outreach to the community under its sustainability umbrella. The charities and NGOs selected to receive financial assistance this year include orphanages, homes for the elderly, support for the disabled and various NGOs.

The luncheon was a joyous occasion for the guests - both adults and children who were greeted by a 15-foot tall rooster upon arrival. For lunch, they enjoyed a wide array of cuisine from 23 stalls of which many were from *Resorts World Genting's* award winning restaurants and its newly opened establishments including Burger & Lobster from London, Motorino from New York and Cafés Richard from Paris.
