**Cantopop duo Twins at Resorts World Genting  
#TWINS#LOL#Live in Genting on 3 June 2017**

**Genting Highlands, 5 April 2017** – Fans of Cantopop duo, Twins, would want to be there when the lovely ladies, Charlene Choi and Gillian Chung take centre stage at Resorts World Genting for their concert in June.

Using the Internet slang “LOL” as the theme for their concert, #TWINS#LOL# Live in Genting, the duo hopes their audience will “laugh out loud” along with them when they perform. And there's good reason for their happy vibe: the concert is part of a tour in celebration of their 15<sup>th</sup> anniversary.

Celebrating their longevity in show business means the duo will sing cheerful songs, along with songs covering various topics relevant to youth like love and friendship. Through their concert that features fine audio-visual elements, the duo hopes to spread joy and laughter.

The concert, to be held at the Arena of Stars on 3 June 2017, 8.30pm, is part of a tour that began in December 2015 with a New Year's Eve concert held at the Hong Kong Coliseum. The tour has since covered cities like Guangzhou, Macau, Shenzhen, Foshan, and Shanghai, and parts of the US.

Twins made their debut in 2001 with music that was targeted at teenagers. The duo has since released 12 Cantonese albums and four Mandarin albums, including five compilation albums and four live albums.

The duo received numbers of musical awards including Bestselling Female Artist (IFPI Hong Kong Sales Awards 2003), Ultimate My Favourite Group Award (Commercial Radio Hong Kong Ultimate Song Chart Awards 2001), and Best Group Gold Award (Jade Solid Gold Top 10 Awards 2001). The duo also won the title of Asia Pacific Most Popular Hong Kong Female Artist at the Jade Solid Gold Top 10 Awards in 2007.

Tickets for the concert are priced at RM588 (VIP), RM428 (PS1), RM298 (PS2), RM198 (PS3) and RM128 (PS4). GRC (Genting Rewards Card) members enjoy a 10% discount via cash or credit card, and Genting Points and Rewards Point redemption. This is applicable for all price scales.
