

RESORT HOTEL

Projecting a sense of freshness with its bright and stylish modern décor, the Resort Hotel is ideal for visitors from all walks of life. Opened in 1992 and a favorite of many customers, this 4-star hotel has 834 standard, superior and deluxe rooms, each carefully refurbished just a few years ago. The Deluxe King and Deluxe Twin rooms are popular among guests as each offer 370 sq ft of comfortable floor space with a walk-through wardrobe. The rooms also have various amenities such as Astro TV channels, in-house movies, mini fridge, safe deposit box, coffee & tea maker, and ironing board. The hotel has a wide variety of facilities for business and leisure. It also houses the spacious and family-friendly Resort Seafood Steamboat restaurant that offers fresh seafood items and à la carte menu featuring Chinese delights. The restaurant is well patronized by families as it has transformed a steamboat meal into an extravagant dining experience with its variety of steamboat set menus.
