Magnificent classical concert at Resorts World Genting by former silver screen queen Chan Poh Chu

Performance to be held on 20 January 2018
to wow fans with splendour and nostalgia

Genting Highlands, 10 October 2017 – A concert that evokes memories of a bygone era of style and glamour is what fans of Chan Poh Chu can expect when the veteran Hong Kong star performs at Resorts World Genting early next year.

Scheduled to be held at the Arena of Stars on 20 January 2018, 8.30pm, Chan Poh Chu Live In Genting 2018 promises to deliver splendour and nostalgia, now that the silver screen queen of the 60s is back to impress with a stage play.

Many fans would be able to recall the days of old when long hair and miniskirts ruled—and Connie Chan, as she is also popularly known as—was among the most popular faces to adorn magazine covers.

The actress who first made her impact in martial arts drama, became a teen idol in the 60s. She may have retired from the film industry in the 70s when she was only in her 20s, but she has an impressive 230 movies under her belt. And the veteran star has remained in the limelight with her other showbiz efforts, particularly her Cantonese opera performances that began in earnest for her in 2010.

Chan Poh Chu Live In Genting 2018 is billed as “magnificent, classical, dynamic, and heart-warming” and will showcase the star's prowess in the world of Cantonese opera. The event marks the star's desire to finally return to meet her fans with her own concert, intending to wow them as she appears on stage in glamorous costumes including some that would bring back memories of her classic movie characters.

Another renowned name to feature at the concert is songwriter, musical director and singer Anthony Lun, who is not only musical director for the concert but will also perform many classical songs.

Fans would also be happy to see the appearance of Chan's son, Dexter Young Tin-King, at the concert, performing alongside her. Another big name invited to join her on stage is Alice Fun So Bo, who will perform a short sketch.

Cantonese opera may have arrived late in Chan's career but she is enjoying it, delivering outstanding performances in such productions as The Reincarnation of Lady Plum Blossom Dream in 2014 and Dream of Peony Pavilion in 2016. No doubt her concert at Resorts World Genting will see her at her magnificent best.

Tickets for the concert are priced at RM788 (VVIP), RM598 (VIP), RM448 (PS1), RM328 (PS2), RM208 (PS3), and RM118 (PS4). Genting Rewards Card (GRC) members enjoy a 10% discount when they purchase with cash or credit card and Genting Points and Rewards Point redemption. This is applicable for all price scales. Admission is one ticket per person applicable to adults, children of all ages and infants.
